The Alumni Association of Thiruthangal Nadar College organized a "Knowledge Enhancement Program On "The AI Wave is Here - Make it Your super power" on 7th August 2025 at A/C Conference Hall.

The session was conducted by our distinguished alumnus, Mr. Arun Charles, currently working as Practice Head in Venzo Technologies, who has been actively involved in integrating Artificial Intelligence solutions in business processes and gave a detailed overview of various Artificial Intelligence (AI) tools widely used in today's professional environment.

The session was highly interactive, with various department students eagerly asking questions related to AI trends, career opportunities, ethical implications, and how to start using these tools effectively. Over 210 UG and PG students were benefitted from this event.
