DEPARTMENT: Department of Plant Biology and Plant Biotechnology

RESOURCE PERSON DETAIL: Mr. D. Daniel Davidson (Alumnus)

The students from the Department of Plant Biology and Plant Biotechnology have actively participated in the "Hands-on Training Program on Construction and working of Biogas plant" held on 29.12.2022 between 11.00 am - 12.45 pm at near canteen, TNC. Our alumnus, Mr. D. Daniel Davidson currently doing PG at MCC, Chennai was the Chief Guest. Our department faculty, Dr. M. Poongani, Assistant Professor welcomed and introduced the chief guest. He explained and process of biogas production and its importance. Moreover, he gave hands-on training to the students regarding the construction the biogas plant, preparation of slurry and utilization of produced biogas for cooking purpose.

The biogas plant was constructed with new pipes, gas tubes etc and connected to the stove present in the canteen. Our students voluntarily collected cow dung from nearby animal husbandry and made into slurry using tap water. The slurry was poured in the biogas plant and closed tightly. The produced biogas was stored in the collection tube. Once the tube is filled, the knob is opened, and the biogas is utilized in the canteen kitchen. Our students got hands-on experience and understood the importance of biogas production. Feedback on hands-on training programmed was collected from the students. Finally, our Principal honoured our alumnus with shawl and plant sapling.
