Collaborative Agency: ICF & Chennai Rail Museum

Year of the Activity: 2022

No. of students participated: 08

The department of physics went to ICF (integral coach factory & Chennai rail museum) on 18.10.2022. Integral Coach Factory, Chennai, is a premier Production Unit of Indian Railways manufacturing passenger coaches. ICF is the first of its kind to be established after Independence for the manufacture of light weight, all steel and all welded Integral railway passenger coaches. The factory was set up in 1955 with Swiss collaboration. There were different models of coach's exhibits at the museum which enlightened the learners. The students proceeded to the building with information on the history of railways, pictures, photos and train models which kept them busy jotting down most of the information they gathered. Students had a joy train ride which gave them a vision of the landscape, around the museum. There were other exhibits and models made out of waste (creativity at its best) which boosted their imagination. The exhibits help the grads to understand the journey of railways over 150 years. There is a large model of a train with tracks, coaches, roads, houses and various other things are exhibited. A guide accompanied the students and explained exhibit and their significance to enhance the experience. It was a wonderful experience to the young learners. Field visit can result in greater achievement, by seeing real-life application and relevance of what they are learning.

Name of the Activity: Industrial Visit
Collaborative Agency: Juvenile home

Year of the Activity: 2022

No. of students participated: 23

Juvenile home

The department of criminology went to Juvenile home on 05.12.2022. We were introduced to the children of the Juvenile home, they were all gathered in a single room and the officials allowed us to interact with the children. We had interacted with many juvenile delinquencies of different classes of offences they are booked under. There were delinquencies who were involved in petty offences such as theft, robbery as well as serious offences such as murder and rape. Many of the delinquencies were introduced to criminality due to peer group pressure & influence, lack of social and parental care. There was no segregation of class of offenders as like in correctional facilities which would make it easier for the first time offenders to get involved with hardened delinquents to involve in more criminal acts further. 23 students participated in the event.
