ESN PUBLICATIONS is an International institute for Research and Development. It is a government registered organization for researchers and engineers. An ISO 9001:2015 registered Company. The organization started with the name of Engineering Students Need (ESN) by the year 2012 as many engineering students got benefit by our organization where we helped them to publish their papers. We have named as ESN Publications (Emerging Science Network) from the year 2015 as we focused on Education, Science, Engineering, Medical, Management and Technology aspects. ESN Publications works to build up a common platform to share knowledge among undergraduate, postgraduates, researchers and graduate students, as well as professors and educators in the field of Education, Science, Engineering, Medical, Management and Technology. It is an international Organization and common platform for researchers to publish their research papers in the education field.

M2.2 THIRUTHANGAL NADAR COLLEGE, established in the year 1997 as a

college for men was upgraded as a co-educational institution in 2002 to cater to the needs of women in North Chennai thus empowering them. It is a Self-Financing institution affiliated to the University of Madras. It was instituted by the magnanimous members of Chennaivazh Thiruthangal Hindu Nadar Uravinmurai Dharma Fund with a deep sense of generosity and compassion to the under-privileged student community. The benevolent members of the management have extended their exemplary services in the field of education with an exuberant spirit of facilitating and providing wider opportunities to the youth from different backgrounds. The motto of the institution "Knowledge is Power" is pre-eminently enshrined to ignite and enlighten the minds of the youngsters through education by dispelling the darkness of ignorance. The committed services of the members of the management in-line with the dynamic governance and strong skills of leadership have lead to the establishment of a school and college to cater to the needs of the students. The primary **vision** of the college is to disseminate knowledge and foster in our students positive and critical thinking besides intellectual skills to become empowered beings. The **mission** is to provide quality and need-based education to students with facilities of higher education.
