Title : Language and Communication Skills Lab  
Date : 19-12-2022 to 20-03-2023  
No. of Participants : 190  
Department : Department of English

The college has established a welcoming, learner-centered environment for its students. Students from rural, semi-rural, and metropolitan areas are served by the college. Through theoretical and laboratory classes, the students are gaining proficiency in the English language, enabling them to communicate in the language in any setting. Students learn life skills through poetry and prose that help them deal with both personal and professional issues. Through exercises in phonetics, presentations, group discussions, and public speaking, the English Language and Communication Skills Labs assist students in overcoming their linguistic barriers and reducing the influence of their mother tongue on their English. The Verbal Ability Lab helps students become more proficient writers and analysts for the competitive world while also expanding their vocabulary. Through efficient communication, negotiating, decision-making, time management, and resume writing abilities, the Advanced English Communication and Soft abilities lab equips students with the necessary employability skills. Students can acquire the necessary skill set for Effective Technical Communication in the Effective Technical Communication lab. In overall, the English language and communication skills laboratory prepares students for the workforce and help them adjust to the demands of a global world, which will help them become successful graduates.
