

INSTALLATION OF SOLAR STREET LIGHT IN OUR CAMPUS:

Assembling and Fixation of Solar Street Light by our III year Physics students

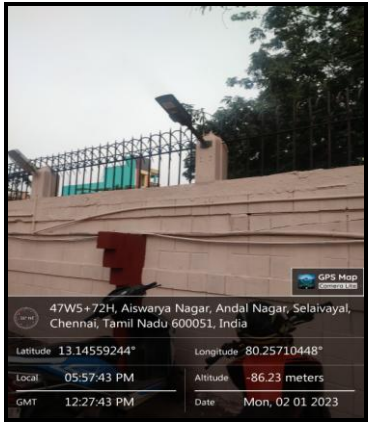

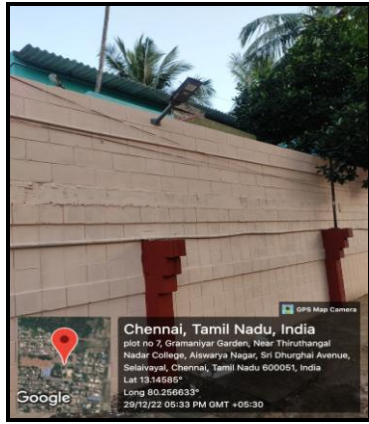

Assembling and Fixation of Solar Street Light

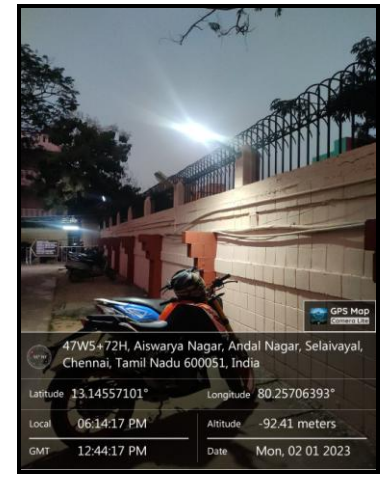

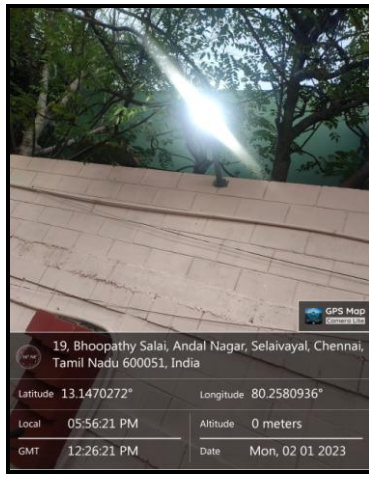

Solar Energy (Solar Light)

Solar Light near pathway

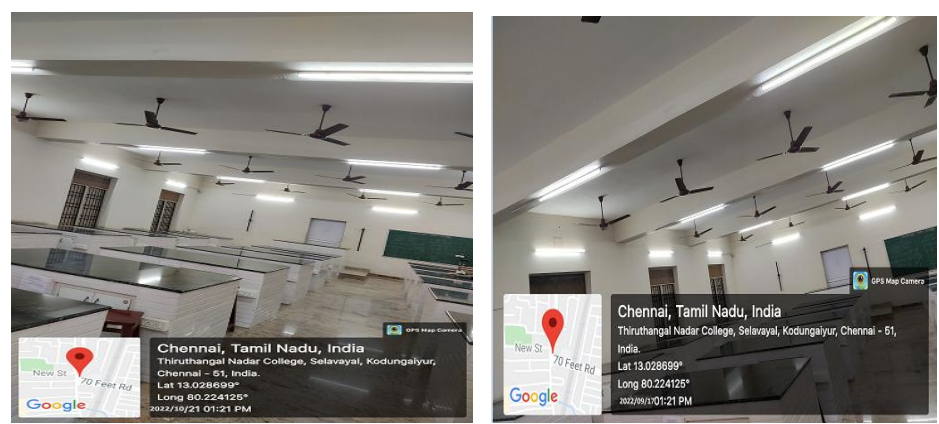

Night view of Solar Light

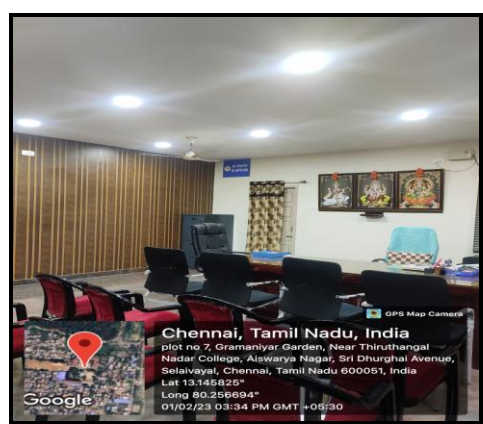

Installation of Solar Light

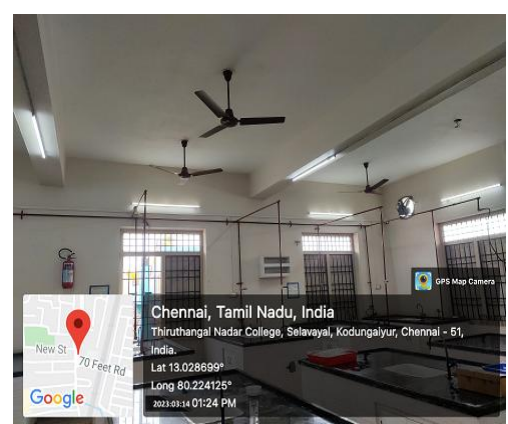

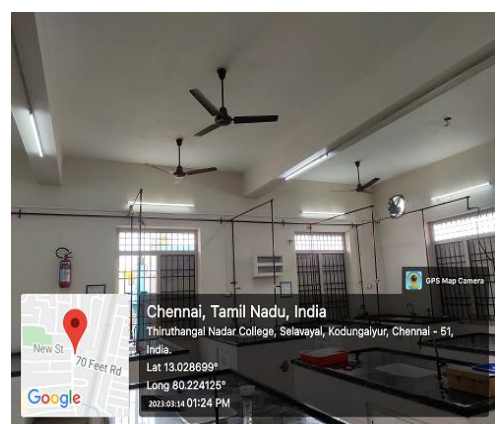

Uses of LED Bulbs

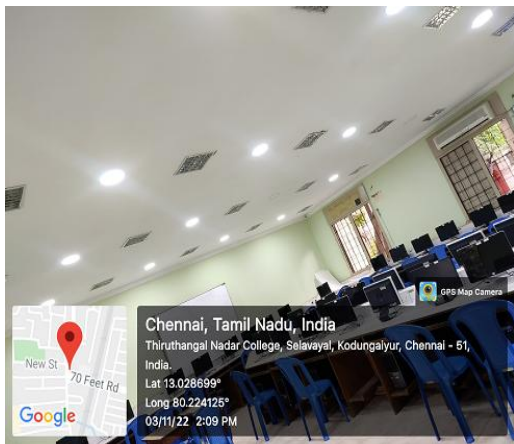

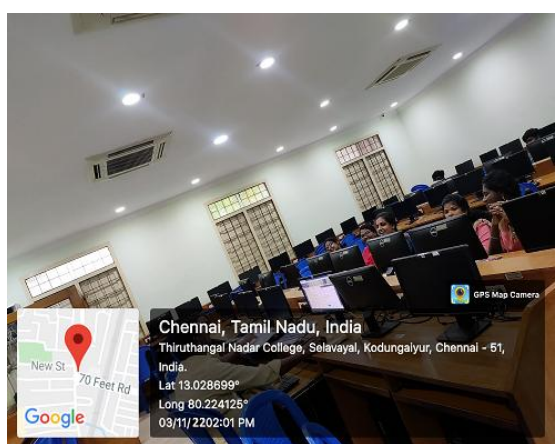

LED Bulbs in Physics Lab

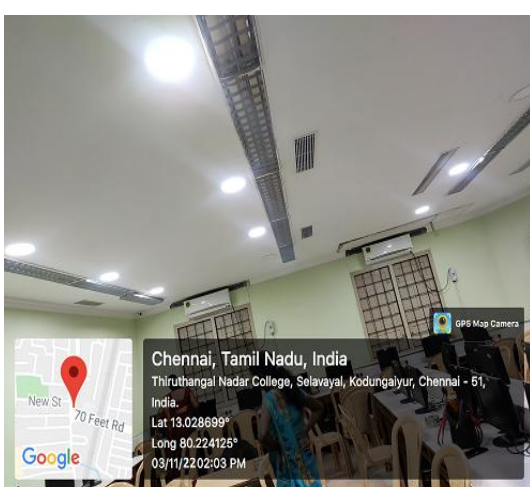

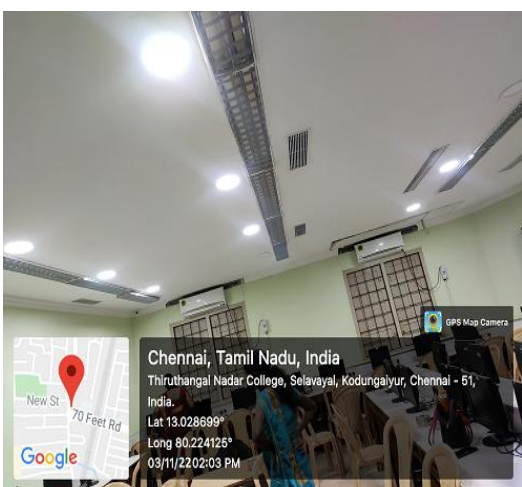

LEB Bulbs in Principal's Chamber

LEB Bulbs in Chemistry Lab

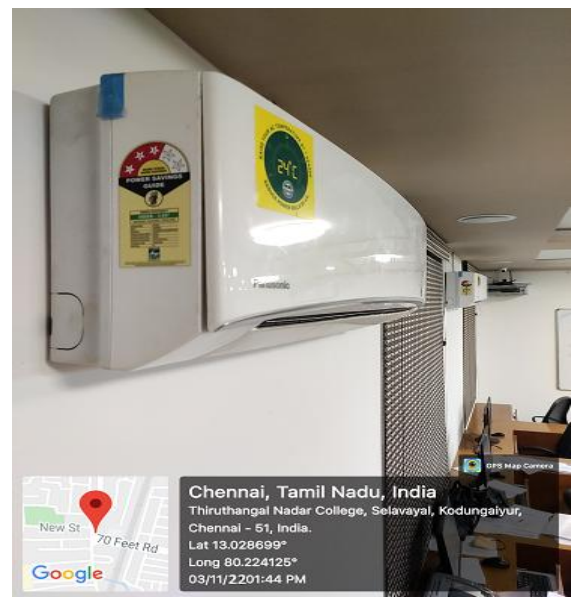

LEB Bulbs in Computer Lab

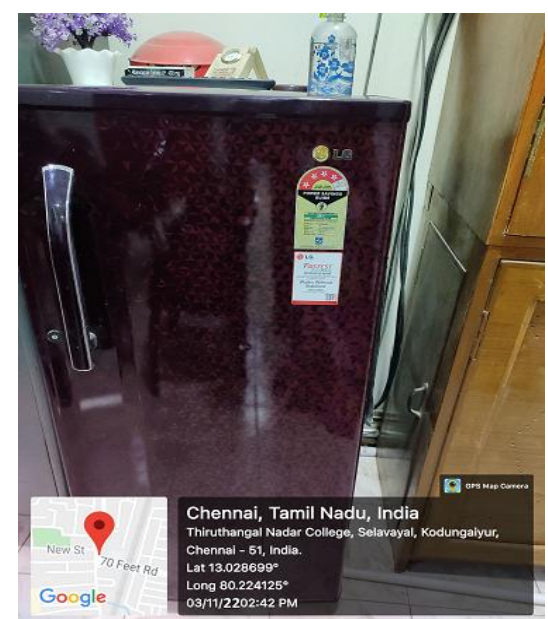

LEB Bulbs in Computer Lab

Sensor-based energy conservation

3 star power consumption equipment in chemistry lab and Computer Lab

3 star power consumption equipment in Computer Lab and Principal's Chamber

Bio Gas Plant
