## **TRAINING AND PLACEMENT CELL**

**ANNUAL REPORT  
ACADEMIC YEAR 2022-2023**

**“The greatest glory in living lies not in never falling, but in rising every time we fall.” – *With these words of Nelson Mandela***, I present the annual Report of the career guidance and placement cell for the Academic year 2022-2023.

Sometimes situations have turned traumatic and things might have gone out of our hands. But we need to carry on with a brave heart. The harder you work the luckier you get. The universe will bend to determination and perseverance. The struggles have never gone vein.

True success is not about things or status, but is about what kind of person we are and what positive impact we have in this world.

The ultimate aim of training and placement cell is to empower each and every student of the college to become a leader and march forward in their own world.

With these words I hereby move on to the detailed report.

The career guidance & placement Cell of Thiruthangal Nadar College functions under the direct control and directions of the Secretary& correspondent and the Principal of the College. The motto of the Placement Cell is: **“Education for all and Employment for all”**.

The objective of the cell is to identify the talent available among the student of this college and nurture further by offering guidance to choose a bright and right career.

The activities of the cell include collecting the database of the students and compiling them for use when needed .The cell facilitates the student to improve their skill to face various competitive exams such as civil service exams conducted by UPSC. The career guidance cell organizes training programs, seminars and meetings to encourage the students to plan their future. The career guidance cell provides information on job queries and placements in different institutions and concerns related to the course that the college offers.

The career guidance cell organizes workshops to inform the student about emerging trends and events. It also aims to promote discipline, healthy outlooks and positive attitude towards national integration and removal of narrow provincial preferences and prejudices among students. Above all, the main function of the cell is to invite reputed companies to the campus to conduct campus interviews and find suitable jobs for the skill available among the students.

The cell also facilitates the economically weaker sections of the students from the first-year and the second-year undergraduate courses to find suitable part time jobs to supplement the family income without affecting the academic pursuit.

The cell has conducted various programs in the academic year 2022-2023 to enhance the student skills and knowledge and to meet the requirements as per the corporate expectation.
