To, Respected Man. As you told that we can show our grievances in the form of letter, I'm, very very thankful for you to giving us such a wonderful opportunity. From the past few months we don't have proper higher officials (principal). They keep on changing. I believe that you will stand in this ^{position} ~~position~~ in the upcoming years.

So my grievance is in our class (BBA III) that one tube light which is above the board is not working. So we can't properly view the notes on board. which is taken on by our Stabs.

And another thing is from the past 3 years I observed this things that many students are lacking in soft skills. i.e, communication, public speaking and also to make a separate period for this. Eluent english. I request you to fix this problems.

Thank you,

B:hammed Hatabasha
