

TITLE: “The Art & Science of Research Paper Writing”

DATE: 30.01.2023 -03.02.2023

NO. OF PARTICIPANTS: 131

Thiruthangal Nadar College, IQAC has come up with yet another one of its kind of Faculty Development Program on “The Art and Science of Research Paper Writing” from 30 th January, 2023 to 3 rd February, 2023. The most striking feature of this FDP is its virtual engagement with all participants / learners.

Research is a form of systematic enquiry to delve deeper into a subject and produce socially relevant results in different forms like a product solution, a set of tasks are outlined. The overall objective of the FDP is to disseminate knowledge of some of the important digital tools used for academic purposes; creating research profiles, finding relevant and good quality journals and amalgamation of the much needed digital skills which can play a significant role throughout the research process. Almost 480 faculties across India registered and got benefitted by the FDP. The FDP will enable participants to develop knowledge in the area of quality research work and the publishing process to get acknowledged place in the publication.

Title: “Outcome Based Education - Bloom's Taxonomy for Effective Learning Outcome”

Date: 09-02-2023

**Resource Person: H.Mercy M.Sc ,M.Phil ,M.E(CSE),Associate Professor,
Jerusalem College of Engineering**

No. of Participant: 140

The Examination cell and Internal Quality Assurance cell jointly organized the one-day Faculty development program on “Outcome Based Education - Bloom's Taxonomy For Effective Learning Outcome” The chief guest H.Mercy M.Sc ,M.Phil ,M.E(CSE),Associate Professor, Jerusalem College of Engineering.

The Resource person explained the full detailed concept of preparation of Bloom's taxonomy. At first, step up with the points on course outcome and knowledge.

- Program outcome (PO)
- Course outcome (CO)
- Knowledge (K)

Program outcome is the degree outcome which is to be formed with certain points of about 5 (or)10.

Syllabus of the course (subject) in units.

I Unit - CO1

II Unit - CO2.....and all the five, from which unit we take the questions are represented in the form of COs. Next is knowledge based (i.e.) knowledge represented as K1, K2, K3, K4..... Each K's has separate and unique concepts, categories & options like understanding, thinking, conceptual, etc.,

The next part is about attainment. It represents the result in the point scale. The weight age and how the syllabus has an effect on the Program Outcome Course Outcome. On the basis of a Comparison of program outcome and course outcome. The points are tabulated and the average on all these are been calculated then the various steps were presented and the final result of attainment is found.

She explained in very clear and depth each step in the form of Excel sheets which made us the guidance on preparation of question papers in Bloom's taxonomy Model.
