

7.3.1 Portray the performance for the Institution in one area distinctive to its priority and thrust within 200 words.

Situated at the periphery of the Chennai city, the college has been shouldering its responsibility to impart quality and need-based education to students with facilities of higher education among the first generation learners with a commitment of providing holistic development . The college over the last 26 years of its existence has been catering to the students especially the economically backward section of the society keeping in view the vision and mission of the college and also instilling in the students the values of education and leadership qualities.

TNCAS has been making a commendable contribution in shaping the career of thousands of students in North Chennai and has played a vital role in their overall development. The students have attained the top positions in an array of fields ranging from academic, cultural, sports and so on. Adding to the distinctiveness, the college offers courses like B.S.W, B.A. Criminology and Police Administration apart from the traditional courses.

The motto of TNCAS reads “Education for All: Employment for All” to kindle and inspire students to become responsible and productive citizens of India. The College is awarded as the “Excellent Volunteer Award 2023 -” by FCWA. (Friends City Welfare Association.) and Best NSS Award – by American Muthamizh University.

Few of the noteworthy distinct features are enumerated below:

TNCAS has adopted five villages namely, Arumandhai, Perungavoor, Thirunillai, Gnayur, Mafhuskhanpet for socioeconomic development under “Unnat Bharat Abhiyan” (UBA). The Students of BSW and NSS works for the social, economical, educational and cultural development of the adopted villages. Reaching out to Community makes them self-reliant. Faculty members and students are involved in social activities and are engaged in several community development activities.

TNC concentrates on students’ qualitative performance also for which various gender sensitization programmes were organized so that students stand up for Gender Equity. The girl students are provided a platform to express themselves under Women Safety & Welfare Cell which organizes the activities like Self Defence, for the overall Development of Girl Students. The student’s governance like Master minds (SDC), NCC and NSS wings contribute immensely to the welfare and growth of the college by carrying out different activities like organizing of different events , functions and co-curricular activities of the college. Besides the college activities, they also carry out different social activities like Cleanliness Drives, Environmental awareness, Blood Donation, Visits to Old Age Homes & Orphanages and other Extension services.

The TNC Clubs provide ample opportunities to the students from different streams to mingle together in academic, curricular, co-curricular & extracurricular activities. The spirit of mutual work, discipline, social responsibilities towards community development and nation building is inculcated through NSS & NCC . The institute contributes towards women empowerment by organizing various activities under the aegis of its Gender Sensitization and Women Safety & Welfare Cell. The care for nature and environmental awareness is being promoted by the College through the Enviro Cell for which the College received Bhumi Award Eco-Friendly Campus. The clubs include Entrepreneurship club, Consumer club, Students Talent Expo club, Women Safety & Welfare club, Eco club, Anti Human Trafficking club, Fitness club, Cultural Association, Leo YRCS, Red Ribbon club, etc., Extension activities carried out under NSS and NCC. The faculty and students participate in seminars and activities organized by the Clubs.

The ICT enabled teaching and learning has been in vogue in the Campus. They are further facilitated by our infrastructural facilities including seven fully functional computer labs, well-stocked computerized library and an AC Conference Hall equipped with multi-media facility. In order to improve IT infrastructure and teaching methodology, the College has projectors to supplement the requirement. In addition, the College facilitates regular interactions through seminars, workshops, special lectures etc.

The TNC Gym and Fitness Club is very active. It motivates students to participate in various indoor and outdoor games. Yoga training is given to students and teachers at different timings to keep them fit and healthy. The College organizes Yoga training programs, Personality Development Programs for students of various disciplines. World Yoga Day is celebrated every year to motivate Health Consciousness in which faculty members as well as students participate in a large number.

The College ensures regular monitoring & implementation of the code of conduct for all stakeholders. In order to ensure discipline in the campus, there is an emphasis on implementation of code of conduct at all levels. There is an active Discipline committee which conducts proper monitoring and discipline of students. Mentor Mentee practices have always been a part of teacher's role in maintaining a cordial relationship with the students. The College has Internal Complaint Committee which addresses the issues of students and takes timely action. The girl students are provided opportunities to express themselves under Women Safety Cell in addition.

From academic excellence TNC strives to advance students towards Professional Excellence. Specific skills for professional development are imparted at College through the Student Support System providing coaching classes for competitive examinations. Apart from conducting Skill Development Programmes, Life Skill Programmes and Knowledge Enhancement Programmes the college conducts Certificate Courses to make professionals of students. These initiatives contribute to the move towards professional excellence which is reflected in placement of majority of students in reputed companies.

The Placement Cell which offers Training and Career Guidance apart from providing soft skill training. The placement cell tirelessly works to secure best placements for students that has resulted in the students getting placed in top companies with high packages.

Several seminars are organized for students to enhance their personality on Soft skill development, Value education, Career guidance and counseling to equip the students with the knowledge, skills and attitudes enhancing their creative ability and preparing them for their future endeavors to become responsible, effective and productive members of the society.
