Overall Impression and Measures taken

The overall results of the student satisfaction survey were carefully examined, and a report based on the findings was sent to all academic heads. From there, effective steps were taken to improve the factors that needed improvement and to maintain consistency with the aspects that were satisfactory as well as the aspects that needed improvement.

- ✓ Conduct of more experiential learning and using ICT tools in the learning process.
- ✓ Offering academic exposure to skill based training and projects.
- ✓ Adopt instructional strategies that are focused on the needs of the students.
