 -PLATO**

Thiruthangal Nadar College is a proud mission -driven community providing a classic education, celebrating the fact that each student is different as a person and as a learner. Students are motivated to grab every opportunity that comes their way, which would not only help in their holistic growth but also strengthen their belief in teamwork, which is important in this fast-paced world. At TNC, we enable students to understand the importance of emotional balance, critical thinking, and, most importantly, accepting failure graciously. Pupils are empowered in such a manner that they act as representatives of a meaningful and value-based society. We have a team of bulous faculty members who display boundless energy and intense commitment, which keeps these four institutions shining brightly. Even as we impart education to match the advancements in technology and globalization, we teach our students an ethos of moral values and principles. We constantly instill these qualities in our children. We pride ourselves on helping them grow and develop into sensitive and responsible citizens of the future. We foster a positive spirit and believe in partnerships between students, parents, teachers, and support staff, striving to create a milieu that sustains excellence.
