

Participative learning is an approach that involves active engagement and participation from learners. It can include a wide range of courses and activities, such as:

- **Soft skills training:** Focuses on developing essential skills like communication, teamwork, leadership, and time management.
- **Add-on courses:** Supplemental courses that enhance existing skills or knowledge, like language training, technical skills, or industry-specific certifications.
- **Learnathons:** Intensive, interactive learning sessions that focus on specific topics or skills, often using gamification, simulations, or hands-on activities.

THE CHANGE MINISTRIES

CAREER & SKILL DEVELOPMENT PROGRAMME

THE CHANGE MINISTRIES'S EDUCATION WING

CAREER & SKILL DEVELOPMENT PROGRAM

PUBLIC SPEAKING- NAVEEN JERICO

The modules on public speaking have empowered individuals to articulate their ideas with confidence and clarity, fostering effective communication skills crucial for success in various aspects of their careers.

CRITICAL THINKING- MR.VICTOR FRANCIS

This newfound ability to evaluate situations critically will undoubtedly enhance their decision-making capabilities in professional settings. The program has laid a strong foundation for individuals to thrive by fostering a culture of intellectual agility and problem-solving aptitude.

PERSONALITY DEVELOPMENT- MR.KUPPUSWAMY

The emphasis on personality development has not only bolstered participants' self-confidence but has also cultivated a positive and professional demeanor, contributing to a more holistic and well-rounded professional image.

INTERVIEW ETIQUETTE- MRS.AKILA

The training on interview etiquette has played a pivotal role in preparing participants for job opportunities. Armed with a refined understanding of interview dynamics and polished communication skills, individuals are now better positioned to make lasting impressions during job interviews, increasing their chances of securing employment

PROBELM SOLVING- MISS.SARANYA

The emphasis on critical thinking and problem-solving has further honed their analytical abilities, enabling them to approach challenges with a strategic mindset. This newfound capability is pivotal for navigating the complexities of the professional world and making informed decisions that contribute to both personal and organizational success.

GROUP DISCUSSION- MR.VIJAYAN

Group discussion has been instrumental in preparing participants for the intricacies of collaborative and evaluative environments. Equipped with refined communication skills and a deep understanding of professional decorum, individuals are now better poised to navigate interviews and group interactions, leading to improved team dynamics and increased success in securing job opportunities.

CONCLUSION

The combination of public speaking, critical thinking, problem-solving, interview etiquette,group discussion and personality development held in "Thiruthangal Nadar College" has positioned them as well-rounded individuals prepared to thrive in today's dynamic and competitive professional landscape.
