

The screenshot shows a Google Forms quiz interface. At the top, there are navigation tabs for 'Questions', 'Responses' (with a count of 93), and 'Settings'. The main content area is titled 'Quiz on "ACCOUNTING TEST TIME"'. Below the title is a rich text editor with formatting options (B, I, U, link, unlink). A form description follows: 'This form is automatically collecting emails from all respondents. [Change settings](#)'. There are two required short answer text fields: 'STUDENT NAME( In Block Letters ) \*' and 'CLASS ( example: III B.Com AF) \*'. The first question is: '1. Which financial statement reports the revenues and expenses for a period of time such as a year or a month?'. On the right side, there is a vertical toolbar with icons for adding, deleting, and moving questions.

The screenshot shows a web-based quiz interface. At the top, it says "INTERNET QUIZ ASSIGNMENT" with a star icon. Below the title, there are tabs for "Questions", "Responses", and "Settings". The main content area is titled "INTERNET" and contains three multiple-choice questions. The first question asks for the description of the Internet. The second question asks to identify a computer location. The third question asks for the origin of the Internet. A "Send" button is visible in the top right corner.
