Counselling:-

The College provides a separate room to give counselling and guidance on carrier and life, to learners and staff. The expert is appointed to provide a way to self-discovery and develop confidence, hope, and encouragement. Counselling teaches the management of Emotions, self-acceptance, and how to eradicate negative emotions, and depression, and makes learners and staff feel strong and empowered. **A professional counsellor (Mrs K. Saradha Devi) is advised to counsel our students in Counselling room to educate about sexual harassment either collectively or individually, as suits the situation.**

- 1) The teachers are further instructed to counsel in cordial and cooperative manner so that senses of belonging and loving care prevail among the student community.
- 2) There is no report of ragging in the campus as it seems that the concept of ragging is completely erased from the minds of students.

The ragging now is deemed historical and archived practice.
