DEBUGGING COMPETITION

Title : DEBUGGING COMPETITION
Date : 19-07-2023
No. of Participants : 43
Department : Department of Computer Science

The Department of Computer Science organized an exciting Debugging Competition on July 19, 2023. The event, held from 11:45 A.M. to 12:30 P.M., brought together students from four different departments, fostering a spirit of healthy competition and collaboration. Students from the Departments of Computer Science, Information Technology, Electronics, and Electrical Engineering actively participated in the competition. The event was designed to test and enhance the participants' debugging skills, requiring them to identify and fix errors in pre-written code within a limited timeframe.

National Conference on Machine Learning & Artificial Intelligence

Title : National Conference on Machine Learning & Artificial Intelligence
Date : 04-08-2023
No. of Participants : 31
Department : PG Department of Computer Science

The PG Department of Computer Science in association with IQAC and Collaboration with ESN Publications has successfully completed National Conference on ML & AI today(4/8/23). Out of 84 registrations, 71 papers are published with ISBN. 25 participants presented their papers in both offline and virtual mode.
