	<p>I would like to thank the management for arranging this wonderful training for B.Com department.</p> <ul style="list-style-type: none"> * The students are well talented and co-operative. Their listening skill was amazing. * Most of them, they don't know about all these soft skills topics. So, they are interested to learn, and get awareness about the interview process. * In group discussion most of them participated and showcases their ideas in a best way. * Few of them communicated well in English, it's very nice. <p>The only drawback is, they are tired without having their lunch in the afternoon.</p> <p style="text-align: right;">Thank you.</p>
